### **Declaration to RoHS 2011/65/EU resp. 2015/863/EU**

RoHS (Restriction of the use of certain Hazardous Substances) is the directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

We herewith confirm that our products are in conformity with the RoHS Confirmation RoHS 2011/65/EU resp. 2015/863/EU and do not contain more than the allowed concentration in the following substances:

- Lead and lead components (Pb)
- Mercury (Hg)
- Cadmium (Cd)
- Hexavalent Chromium – Chromium (VI)
- Polybromiated Diphenyls (PBB)
- Polybromiated Diphenyl Ethers (PentaBDE, OctaBDE; DecaBDE)
- Di(2-Ethylhexyl)phthalat (DEHP)
- Butylbenzylphthalat (BBP)
- Dibutylphthalat (DBP)
- Diisobutylphthalat (DIBP)
- Perfluorooctansulfates (PFOS)

Hans von Mangoldt GmbH (in the following Mangoldt) already takes into consideration for a long time the environmental compatibility in the new development of products. Our products were already readjusted to components in conformity with RoHS in 2004 in the course of the conversion of the a.m. European directive. Our quality ranked first during this conversion. There are no restrictions of any kind to our electrotechnical products in what function and manufacturing is concerned.

### **Declaration to the REACH-Regulation (EG No. 1907/2006)**

REACH is the new European Chemicals Law. The REACH-Regulation was published on December 30th, 2006 in the Journal No. L 396 of the European Union as Regulation (EG) No. 1907/2006 and replaced many existing legal regulations. Mangoldt acts as a downstream user (producer of articles) according to the EU Regulation 1907/2006 (REACH-VO) declared 27<sup>th</sup> February 2020.

Our product is not affected by Article 57, 33 (1) of the REACH-Regulation. Our products do not contain any of the 54 SVHC materials in the REACH Annex XIV. The [SVHC list](#) in current form is provided for your information.
